"There is a magic moment between wet and dry, when your hair looks perfectly straight and beautifully aligned," says Sunsilk co-creator and straight-hair expert, Yuko Yamashita. "But as it dries, it starts to puff up and lose its shape. The new Sunsilk Expert-Perfect Straight range recreates this moment and look, by controlling the shape of hair as it dries." Staying on the straight and narrow has never been simpler. □

1. Sunsilk Co-Creations Expert-Perfect Straight Detangling Mist, \$6.49. 2. Sunsilk Co-Creations Expert-Perfect Straight Shampoo and Conditioner 400ml, \$7.79 each.
