Looking good for the party season doesn't have to break the bank with these affordable products

**1** The heat combined with the skin's natural oils makes eyeshadow slide off in summer. Designer Brands Eye Primer (\$7.99, 1300 765 332) is a handy stick that preps the eyelid, giving make-up something to cling to.

**2** Say goodbye to dry cracked lips with Lanolips 101 Ointment Balm (\$17.95, available from Priceline). It contains medical-grade lanolin for restoring dry or itchy skin, plus it's good on cracked cuticles.

**3** Bronzer can give you a quick colour lift when you're looking tired and washed out. Models Prefer Bronzer Quad (\$10.99, 1300 884 411) is a great palette of four shimmering colours that can be used together or separately, depending on your skin tone.

**4** The Wet Brush (\$19.95, 1800 251 215) can be used on wet or dry hair so it's ideal for the beach or pool. It's also very handy when you've washed your hair and don't have time to blow-dry it as the brush has thin and flexible bristles that detangle your locks without damaging them.

**5** For anyone who ties their hair back, Lady Jayne Styleguards (\$7.99 for a pack of eight, 1800 651 146) are one of the handiest hair inventions of all time. The snag-free elastics minimise hair breakage, which is a big deal if you always have your 'do in a ponytail. They can also be used on wet hair without causing it to kink.

**6** The Body Shop Coconut Body Butter (\$7.95, 1800 065 232) smells delicious and is a great all-over body moisturiser with nourishing ingredients including cocoa butter, coconut oil and shea butter.

**7** Sensitive scalps will love Al'chemy's Unscented Very Gentle Shampoo (\$14.95, 1800 651 146). The pH-balanced formula cleans hair without irritating the scalp.

**8** Dr. LeWinn's Bio-Care Oil (\$14.95, 1800 651 146) is a must-have for summer. The lightweight, non-greasy, multi-tasking oil can be used to reduce the appearance of scars and stretchmarks, hydrate dry skin and soothe sunburn.

**9** Enhance your peepers with the Ulta3 Eyeliner pencil (\$2.95, 1800 181 040), which is easy to use and comes in five great shades, including metal and brown.
